Red Bird Christian High School
DORMITORY PROGRAM
NATIONAL STUDENT
APPLICATION

Red Bird Mission Dormitory Program provides a place for Christian students to live in a boarding environment as they attend Red Bird Christian High School and engage in the college preparatory curriculum. High school students seeking to follow God's calling in their lives are encouraged to apply. The Dormitory Program strives to provide spiritual growth, social development, and servant-leadership development within a supportive, Christian, home-like environment.

ADMISSION CONSIDERATIONS

1. Students admitted to the Dormitory Program will be simultaneously enrolled in the Red Bird Christian School. Steps to Apply are included in the Application Packet. All requested materials must be received before an application will be processed. A phone interview will be scheduled. The interview, references, and previous academic work combine to give the selection committee the information needed to make admission decisions.
2. Note: Red Bird Christian School is not a reform school. Our dormitories are not staffed to handle students with severe emotional or behavioral problems/needs, alcohol and substance abuse problems, or special custody issues including coordinated supervised visitation. We do have some (but limited) accommodations for those who are physically handicapped.
3. Any misrepresentation or withholding of pertinent information on the admission application will be grounds for immediate dismissal from the dorm and school programs.
